

Sorry **INTERNET**
CLOSED

FOR TOO MANY AMERICANS,
THIS IS AN EVERYDAY REALITY.

mobilebeacon®

4G Internet Access. 4 Nonprofits. 4 Less.

15% of the U.S. population remains offline. Who's left behind?

- 46% of adults earning less than \$30,000/year
- 97% of low-income students
- 57% of seniors
- 59% of adults living with a disability
- In rural areas, 1 in 10 have no access

You can open up their world.

Internet access can be a powerful game changer, creating economic opportunity, increased education, and higher employment rates. But when launching community-wide connectivity programs, you face barriers such as the high cost of access and equipment, as well as program and infrastructure expertise.

We offer an open and shut case for working together.

Mobile Beacon is a partnering solution for municipalities, schools, libraries and nonprofits just like yours to bring equal digital opportunity to all Americans. We provide **access** through affordable 4G mobile broadband services and connectivity devices, providing the cornerstone for a total solution that results in faster program buildout and **adoption**. Here's how:

- **Lightning Fast 4G Internet Access**
Plus future expansion to Sprint's LTE network enhancements throughout the U.S.
- **Unbeatable Value (Save up to 80% annually!)***
Wi-Fi Internet service for just \$10 per month.
No data caps, no overage charges, no worries.
- **Choice of Devices**
A selection of devices that meet your needs and budget for anytime/anywhere access.

*WiMAX price comparison claim based on certain competitors' recently advertised, post-promotional, recurring monthly service rates. Taxes, equipment, and other charges may apply.
