

# CLEAR Hub Express Specification Sheet

CLEAR Hub  
Express

Genius comes in this small package. It's a modem with an integrated Wi-Fi router all in one!

The CLEAR Hub Express gives you super fast 4G Internet for your office. The integrated Wi-Fi router provides secure broadband connectivity and local networking. With this single device, you can connect multiple devices simultaneously while saving money, space, and the hassle of extra cords.

## Features

### Easy to Set Up

- Just plug it in, set up Wi-Fi, and start surfing
- No appointments or complicated installation

### Versatile and Dependable

- Connect up to 10 Wi-Fi enabled devices
- Designed to work with Mac & PC
