**[PROPOSED] ORDER GRANTING THE PARTIES' JOINT MOTION  
TO MODIFY ORDER DATED NOVEMBER 4, 2015**

Having considered the parties' Joint Motion to modify this Court's Order dated November 4, 2015 granting plaintiffs' application for a preliminary injunction ("Initial Order"), the Court hereby orders that this motion is GRANTED, in accordance with the following:

- (1) Paragraph A of the Initial Order shall be extended until 11:59 pm ET on March 31, 2016 ("End Date") by which time it is expected that the LTE transition is to be completed and after which date, subject to the terms and conditions herein, the WiMAX network will be decommissioned.
- (2) Paragraphs B and C of the Initial Order shall remain in full force and effect until the earlier of a final adjudication in the instant case, including any appeals thereof, or as otherwise agreed to by the parties.

- (3) Notwithstanding Paragraph 1 hereof, so long as Defendants are otherwise in compliance with the terms and conditions of this Order, and any non-compliance with this Order by Defendants has not materially impeded or delayed the ability of plaintiffs to transition Educational End Users from WiMAX to LTE, Defendants may decommission the WiMAX network in accordance with Schedules A and B attached hereto.
- (4) Except as otherwise set forth herein, the Initial Order shall expire on the End Date subject to Sprint's compliance with its obligations under this Order.
- (5) Nothing in this Order shall prejudice, affect, or waive any of the parties' respective claims, counterclaims, positions, appeals, or defenses, or the right to seek compliance with, or, an extension or modification of, this Order.
