

The Mobile Beacon advantage is clear!

When you compare Mobile Beacon to other 4G LTE commercial providers, the difference is black and white. Our mission is to provide schools, libraries, and nonprofits with the affordable, high-speed connectivity they need to maximize their philanthropic impact and better serve our world.

Our high-speed LTE internet service is just **\$10 per month**, plus there are no data caps and no overage fees! Bottom line? More speed, more capacity, and more left over in your budget. **See the difference for yourself!**
