

MiFi 8000 Mobile Hotspot Specification Sheet

A mobile work station that fits
in your pocket!

The MiFi 8000 hotspot keeps you connected and organized while on the road. This 4G LTE only hotspot offers robust connection and top-notch

security. You'll be able to connect up to 15 Wi-Fi devices simultaneously and can even set up a guest Wi-Fi network to safe guard your network! The MiFi 8000 allows you to share files easily and safely with a local secure Wi-Fi network. The device can run for up to 24 hours on a single charge, and you can use the MiFi to charge other connected devices via its USB.

Data Plan*	Device Cost	Service Fee**
Unlimited 4G LTE usage	\$200	\$10/month

* Sprint is providing Mobile Beacon's users with an unlimited 4G LTE data-only plan subject to Sprint's network management policy for the unlimited LTE plan it offers its own retail customers. Sprint "Quality of Service" Practices (QoS): Unlimited customers who use more than 50 GB of data during a billing cycle will be deprioritized during times and places where the Sprint network is constrained. See sprint.com/networkmanagement for details. Subject to availability. Eligibility restrictions and other restrictions may apply. All service plans are subject to Mobile Beacon's Terms and Conditions located at www.mobilebeacon.org/legal/legal-info/.

** Due to the significantly reduced service rates, Mobile Beacon's service plans must be paid annually in advance. For all 4G devices, the service fee for unlimited 4G access is \$120/year per device.
