

Alcatel JOY Tablet

Specification Sheet

*Work from
anywhere with
secure internet
access.*

The Alcatel JOY Tablet enables work on the go with unlimited data with Mobile Beacon's lightning fast 5G service, no Wi-Fi needed. Experience high-quality video conferencing with 5MP front- and rear-facing cameras, a vibrant 8-inch display, and an enhanced speaker with a Smart Power Amplifier.

Data Plan*	Device Cost	Service Fee**
Unlimited 4G	\$135	\$10/month

*T-Mobile is providing Mobile Beacon's users with an unlimited 5G data plan (with backup nationwide 4G LTE access as well) subject to T-Mobile's network management policy for the unlimited data plan. T-Mobile's "Quality of Service" Practices (QoS): Unlimited customers who use more than 100 GB of data during a monthly billing cycle will be deprioritized during times and places when the T-Mobile network is constrained. See Mobile Beacon's FAQs and T-Mobile's terms and conditions for further details. Subject to availability. Eligibility restrictions and other restrictions may apply. All service plans are subject to Mobile Beacon's Terms and Conditions located at www.mobilebeacon.org/legal/legal-info/.

** Due to the significantly reduced service rates, Mobile Beacon's service plans must be paid annually in advance. For all 4G devices, the service fee for unlimited 4G access is \$120/year per device.

Color
