

iPad Air (5th Gen, 64GB)

Specification Sheet

Take your connectivity to a new level with a tablet.

Work comfortably from anywhere with the iPad Air, powered by the Apple M1 chip and equipped with 5G connectivity. Enjoy Mobile Beacon’s unlimited data on the largest 5G network, keep connected longer with all-day battery life, and stay secure with Touch ID for Secure Authentication and Apple Pay.

Data Plan*	Device Cost	Service Fee**
Unlimited 4G/5G	\$862	\$20/month

*T-Mobile is providing Mobile Beacon’s users with an unlimited 5G data plan (with backup nationwide 4G LTE access as well) subject to T-Mobile’s network management policy for the unlimited data plan. T-Mobile’s “Quality of Service” Practices (QoS): Unlimited customers who use more than 100 GB of data during a monthly billing cycle will be deprioritized during times and places when the T-Mobile network is constrained. See Mobile Beacon’s FAQs and T-Mobile’s terms and conditions for further details. Subject to availability. Eligibility restrictions and other restrictions may apply. All service plans are subject to Mobile Beacon’s Terms and Conditions located at www.mobilebeacon.org/legal/legal-info/.

** Due to the significantly reduced service rates, Mobile Beacon’s service plans must be paid annually in advance. For all 4G devices, the service fee for unlimited 4G access is \$120/year per device.
