TCL Linkport IK511
Specification Sheet

Stay connected without relying on free Wi-Fi.

Ultimate companion for convenient and reliable internet on the go – lightweight and compact it fits in your pocket or bag!

The TCL Linkport IK511 delivers reliable and secure 5G mobile internet access on our largest nationwide network. With speeds up to 220Mbps, the TCL Linkport ensures your community stays connected – free from Wi-Fi hotspots or smartphone tethering.

Data Plan*	Device Cost	Service Fee**
Unlimited 4G/5G	$90	$10/month

* T-Mobile is providing Mobile Beacon's users with an unlimited 5G data plan (with backup nationwide 4G LTE access as well) subject to T-Mobile's network management policy for the unlimited data plan. T-Mobile's "Quality of Service" Practices (QoS): Unlimited customers who use more than 100GB of data during a monthly billing cycle will be deprioritized during times and places when the T-Mobile network is constrained. See Mobile Beacon's FAQs and T-Mobile's Terms and Conditions for further details. Subject to availability. Eligibility restrictions and other restrictions may apply. All service plans are subject to Mobile Beacon's Terms and Conditions located at www.mobilebeacon.org/legal/legal-info/.

** Due to the significantly reduced service rates, Mobile Beacon's service plans must be paid annually in advance. For all 4G devices, the service fee for unlimited 4G access is $120/year per device.
