

JEXTREAM® RG3100 5G MOBILE HOTSPOT SPECIFICATION SHEET

JEXTream® RG3100 5G Mobile Hotspot offers 5G Internet access on demand anywhere you go. Provide a secure Wi-Fi connection for 32 devices in and out of the office. It also includes a 2.4-inch TFT color display with 320x240 resolution and Ethernet connection for local network access.

Data Plan*	Device Cost	Service Fee**
Unlimited 5G/4G	\$164.99	\$10/month

*T-Mobile is providing Mobile Beacon's users with an unlimited 5G data plan (with backup nationwide 4G LTE access as well) subject to T-Mobile's network management policy for the unlimited data plan. T-Mobile's "Quality of Service" Practices (QoS): Unlimited customers who use more than 100 GB of data during a monthly billing cycle will be deprioritized during times and places when the T-Mobile network is constrained. See Mobile Beacon's FAQs and T-Mobile's terms and conditions for further details. Subject to availability. Eligibility restrictions and other restrictions may apply. All service plans are subject to Mobile Beacon's Terms and Conditions located at www.mobilebeacon.org/legal/legal-info/.

** Due to the significantly reduced service rates, Mobile Beacon's service plans must be paid annually in advance. For all 5G devices, the service fee for mobile unlimited 5G access is \$120/year per device.
